Project Description

This road joins Jomsom, the district Headquarter of Mustang with the China border. There is existing motorable track from Lomasthan of Mustang district with Chinese border at Korala and nine kilometers long fair weather road from Jomsom to Kagbeni. Yet, these links are not connected with the national network. Department of Roads has therefore, plan to connect this road with National Highway (H18) Beni-Jomsom-Ghoktang which is being constructed by Nepal Army. Total length of the road from Jomsom to Korala is about 100 kms. The length to be surveyed and designed under this package is 28.50 kms.
