ANNEX: INFORMATION TO THE CONSULTING FIRM

General Information

- Purpose of inviting the EOI: The main purpose shall short-list suitable consulting firm for the feasibility study of the roads so that proposals could be invited from them only. However, the client may extend the short-list to include additional relevant consulting firms which are capable of giving the desired output.
A separate submission will be required for each package of the feasibility study of the road. A firm may submit an EOI for a particularly work group only once either individually or as a member of a joint venture.

- Minimum eligibility of the firm: Registered civil engineering consulting firm, registered at VAT office

- Deadline for submission of EOI: 15 days from the date of publication of the Invitation notice for EOI

- Number of copies to be submitted: one

- Joint Venture: A firm may apply to be short-listed alone or in joint venture with other firms. However once short-listed, JV partners are unchangeable.

- Duration for survey and design: The survey and design work shall be completed within three months from the date of signing of the contract.

- Information from the Client: The shortlist shall be published on the Client's notice board, at the web-site: www.dor.gov.np within a week from the last date of submission of the EOI. The Client shall mail the short-list to each of the firms/JV submitting the EOI and initiate the process of RFP without waiting for the receipt from the firms that they have received the short-list.
